

## Reducing micro duct connector Eden

The connectors used to connect microducts of different diameters.  
 Transparency allows visual control when blowing cable.  
 Connectors are able to be assembled and disassembled without the use of tools.

### Technical specification

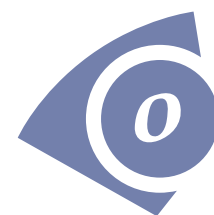

Body material:	Polycarbonate
Spring material:	POM
Seal material:	NBR
Temperature range:	
Tensile force:	40-400N (ISO 527)
Burst pressure:	
Lifespan:	>20 years
Detail specs:	
Installation manual:	

### Ordering Codes

#### Dimension Length/OD/ID mm

MDRSP5/3	– Reduction 5/3mm microducts
MDRSP5/4	– Reduction 5/4mm microducts
MDRSP6/4	– Reduction 6/4mm microducts
MDRSP7/4	– Reduction 7/4mm microducts
MDRSP7/5	– Reduction 7/5mm microducts
MDRSP8/5	– Reduction 8/5mm microducts
MDRSP10/5	– Reduction 10/5mm microducts
MDRSP10/7	– Reduction 10/7mm microducts
MDRSP10/8	– Reduction 10/8mm microducts
MDRSP12/7	– Reduction 12/7mm microducts
MDRSP12/10	– Reduction 12/10mm microducts
MDRSP14/12	– Reduction 14/2mm microducts

### Product Name

Reducing connector Eden

Unit of issue:	10 pc
Packaging:	plastic bag
