

**Features and Benefits**

**Category 6 110 Style Multi Pair Termination Tool—**

Provides 4-pair high impact termination specifically for Molex 110 Style Category 6 Connector termination.

**Deluxe IDC Punch Down Tool—**

Provides reliable terminations and is compatible with KATT and 110 Style IDC Connectors.

**IDC Termination Tool—**

Provides low impact termination force with scissor cut-off style. Provides reliable terminations and is compatible with KATT, 110 Style and Krone IDC Connectors.

**Punch-Down Terminating Puck—**

A handy twisted pair termination aid that works with any Molex Premise Networks RJ45, including DataGate Plus jacks and USO II modules. Simply hold the Puck in your hand, secure with attached strap and terminate. Alternatively, the Puck can be secured against any flat surface with supplied screws.
